

Stadsbader Group – Internship Civil

Job Description

Do your internship at STADSBADER CONTRACTORS and experience life as a Project or Site Manager on our construction sites in a region of your choice - or take a role at the office!

During your internship, you will shadow and support the Project Manager or Site Manager in their daily tasks and will also be assigned several responsibilities to handle independently.

Site inspections to monitor quality, assisting with planning, following up on compliance with inspection instructions and safety regulations, tracking orders, meeting subcontractors... these are just some of the tasks you may be involved in!

Your profile

- You are currently studying for a Bachelor in Construction, Industrial Engineering in Civil Engineering, or Master of Science in Civil Engineering.
- You are interested in large civil engineering projects.
- You are team-oriented, can work independently, take initiative, recognise tasks proactively, and communicate clearly.
- You can travel relatively easily.

Our offer

At STADSBADER CONTRACTORS, you will join a people-oriented organisation where collegiality and openness are key.

You will follow a thorough introduction process, enabling you to quickly build your internal network.

Your colleagues always give their full 100% and are eager to help you grow into the best version of yourself!
