

# Stadsbader Group – Working Foreman - Formwork

## Job Description

Become our new Working Foreman – Formwork at STADSBADER CONTRACTORS!

As a Working Foreman, you are responsible for:

- Ensuring the efficient and smooth execution of formwork projects
- Distributing tasks within your team and coordinating daily activities
- Supervising colleagues while actively participating in the projects yourself
- Making sure that work is completed on time and according to plan

## Your profile

- Experience as a foreman in the construction sector is a plus
- Solid knowledge of formwork
- Punctual, flexible, and detail-oriented
- Holds a Category B driving license
- Good command of Dutch or French

## Our offer

- Stability and security: Full-time permanent contract
- Attractive compensation: Competitive hourly wage according to the construction pay scale
- Additional benefits: Hospitalization insurance, meal vouchers, and extensive training opportunities to further develop your skills
- Personal growth: Special attention to proper training and guidance, so you can continually grow in your role
